

Product name: T-SHIRT TRANSFER PAPER
Product code: 009010
Application: Transfer paper for ink-jet printer

Chemical characterization

Special film composed of several copolymers, coated on a silicon-release paper

Form: Paper
Colour: white
Odour: no

Physical and safety data

- **Change in physical state**
melting point: 150° C
 - **Density:** 1,1 g/cm³
 - **Vapour pressure:** n.a.
 - **Viscosity:** n.a.
 - **Solubility in water :** insoluble
 - **PH value:** n.a.
 - **Flash point:** ASTM 10929-68
 - **Ignition temperature:** > 260° C ASTM 10929-68
 - **Explosion limits:** Lower: n.a. Upper: n.a.
 - **Thermal decomposition:**
 - **Hazard decomposition products:**
Above the decomposition temperature the major volatiles will be terephthalic acid, carbon dioxide, carbon monoxide and small molecular weight alcohols/aldehydes.
Hazard determined decomposition products: carbon monoxide
 - **Hazardous reactions:** none known
-

Transport

Not classified as dangerous goods according to national and international transport regulations.

Regulations

The product is not classified as a dangerous material.
